WHO ARE WE?

Think hands on management / coordination, 5 Star Service Staff, in house special effect decor, an on site kitchen, full accessibility and so much more! We see the bigger picture and know how to perfectly tie together the smaller pieces in order to bring your event to life. If you're ready to host an event with us, reach out! TESTIMONIALS

“

The Factory is the ideal venue for any party. With a convenient location and easy parking, you can use the convertible space for any occasion. People had a blast at our son's Bar Mitzvah and I highly recommend it.

With Teri and team's help, our corporate fundraiser was an absolute hit. It was even better than imagined, with every small detail coming to life and tying together so perfectly. Teri's natural predilection for organization and interior design helped along the way with excellent insights and suggestions. The preparation and fine tuning was honestly just as fun as the actual event itself. Thanks Factory Lounge!

— Katie, Brantford Ontario

“

I've never seen such a diverse venue. Seriously - this space is able to transform to suit any and all needs. We had our engagement party here and now even host our annual company Christmas party at The FL! The perfect space and the industrial feel really completes it!
